Description: Frans Gunnar Bengtsson's *The Long Ships* resurrects the fantastic world of the tenth century AD when the Vikings roamed and rampaged from the northern fastnesses of Scandinavia down to the Mediterranean. Bengtsson's hero, Red Orm—canny, courageous, and above all lucky—is only a boy when he is abducted from his Danish home by the Vikings and made to take...

Review: Gotta qualify that way better than expected. Never heard of author? Check. Written in the 50s, but covers a genre that wasn't common at the time? Check. And that genre, historical fiction, where books are still often a mess nowadays? Check. Adoring reviews all (I have had some bad experiences with very highly rated Kindle books)? Check. On the other...
